

Tariq L. KHAN

**Manager, Assembly and Test
Triumph Aviation Systems, WA, USA.**

ACADEMIC QUALIFICATION

M.S. in Structural Design and Analysis, Wayne State University, USA.
B.E. in Civil Engineering, NED University, Karachi.

BACKGROUND SUMMARY

Tariq L. Khan graduated from N.E.D with a Bachelors in Civil Engineering, in 1989. In 1993, he acquired his Master's Degree in Structural Engineering from Wayne State University. In the same year, he joined the automotive industry as a Structural Analysis Engineer. Later, he transitioned to the aerospace industry as an airframes and sub-assemblies stress analyst. Currently, he is working for Triumph Aviation Systems, managing their Operations Department.

Besides being an expert in his area of study, Tariq enjoys woodworking, and traveling with his wife and two daughters.
